

Resume Sam Millar

Sam Millar is the Director of Quality for Warburtons Ltd, responsible for product and packaging quality, food safety and regulatory compliance. Prior to joining Warburtons Ltd, he was the Director of Technology at Campden BRI where he led a team delivering technical leadership and support to the global food and drink industries. Sam has served as a Board Director for the Cereals & Grains Association (formerly the American Association of Cereal Chemists International - AACCI) and is a Fellow of the IFST as well as the Academy of the International Association for Cereal Science and Technology (ICC). He holds a PhD and BSc in Food Science from The Queen's University of Belfast.
